CONCEPT STORE

Bravo

Opened in 2007, Bravo is the store which represents the sophisticated woman in Tucson. Katrina Anderson has chosen a very distinctive elegant design to reflect the upscale welcoming ambience of a spa environment: extremely sleek and clean with Italian caramel colored marble tiling, frosted glass fixtures, an open airy feel where clients can easily view the items on show. As well as providing the best in high-end lingerie Katrina is always in search for new unique items to surpass her customers' expectations.
